Legal Information & Neutral Consultations

135 Bayfield Street, Suite 101
Barrie, Ontario, Canada

We are family law facilitators. Our passion is to empower families to make smart pathway choices to stay out of court.

Separating couples meet with us together for an early neutral consultation. We provide legal information and contacts. You pay only an hourly rate for our services (there is no deposit/no retainer).

You will have one or two meetings with us and then choose the right pathway for your family. Contact us today.
