

FAMILY LAW PATHWAYS CENTRE

Pointing Couples in the Right Direction

Legal Information and
Early Neutral Consultation

www.FamilyLawPathways.com

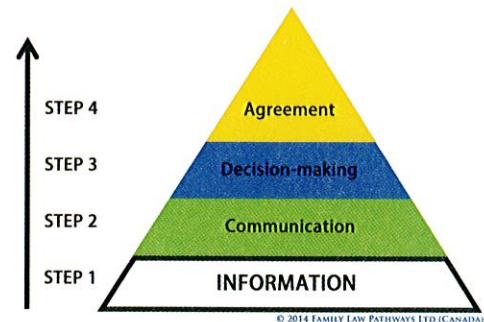

Call 705-797-2680
or Online Booking

We are family law facilitators. Our passion is to empower families to make smart pathway choices to stay out of court.

Separating couples meet with us together for an early neutral consultation. We provide legal information first and contacts. You pay only an hourly rate for our services (there is no deposit/no retainer).

You will have a single meeting with us and then choose the right pathway for your family. Contact us today.
